

Clean Energy in the 112th Congress

Policy Drivers for Economic Growth and National Security

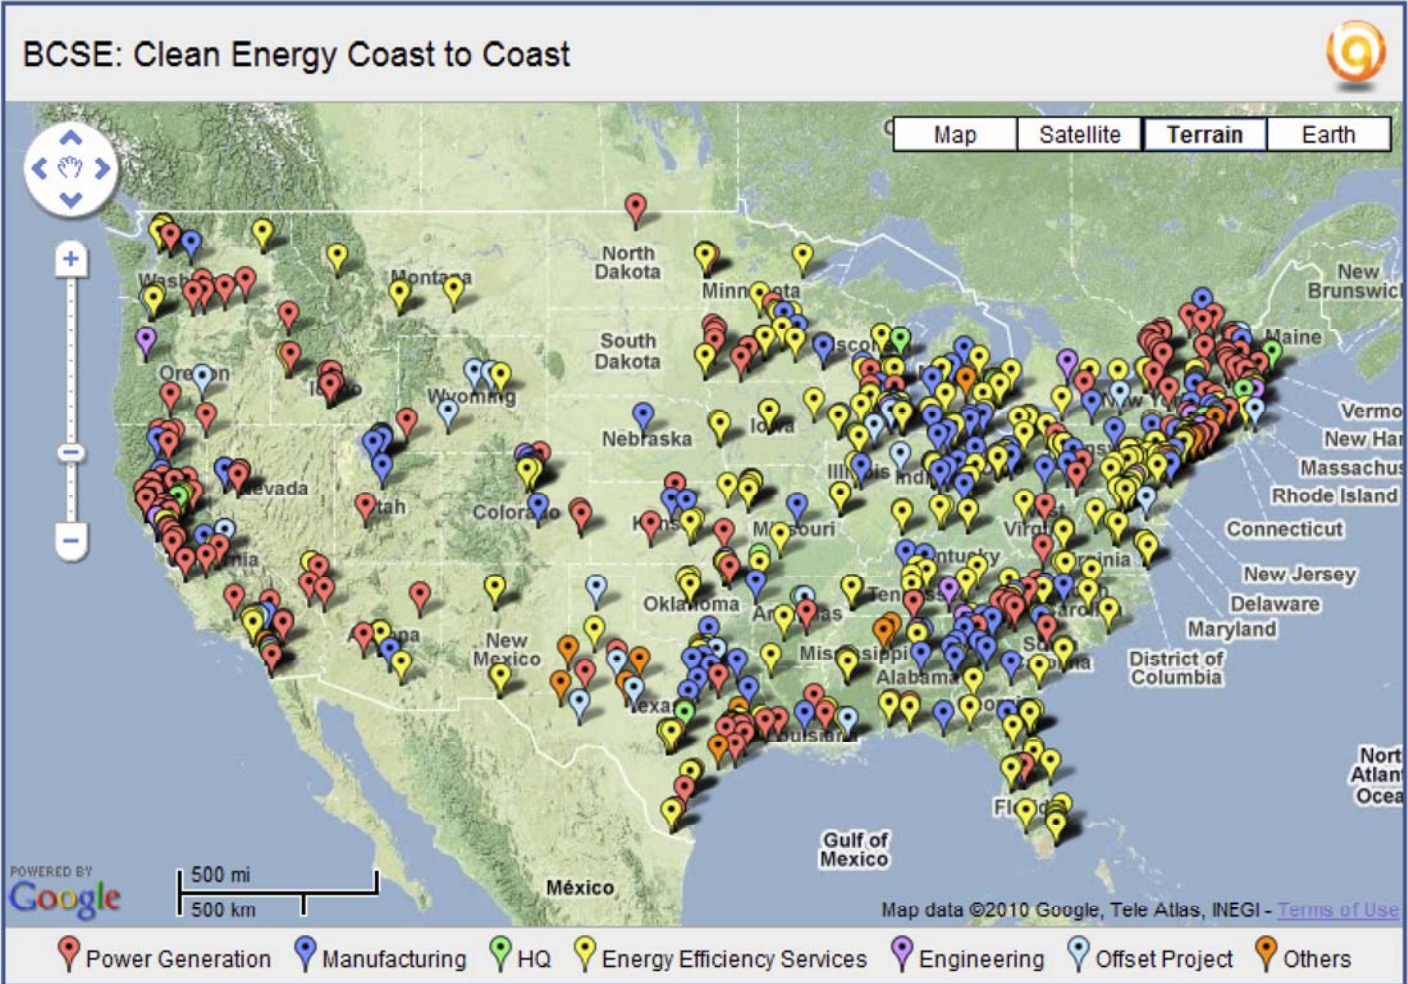

About the BCSE

- Formed in 1992 by a broad-based coalition from the energy efficiency, natural gas and renewable energy industries
 - Membership today includes about 60 companies and trade groups
 - power developers, equipment manufacturers, independent generators, green power marketers, retailers, carbon offset providers, and natural gas and electric utilities as well as several of the primary trade associations in these sectors
-
