

Lisa Jacobson
President
Business Council for Sustainable Energy

Lisa Jacobson is the President of the [Business Council for Sustainable Energy \(BCSE\)](#), a 55-member trade association representing the energy efficiency, natural gas and renewable energy industries. In this role, Ms. Jacobson advises states and federal policymakers on energy, tax, air quality and climate change policy. She is a member of the Department of Energy's State Energy Efficiency Steering Committee, the United States Trade Representative's Trade and Environment Policy Advisory Committee, the Energy Efficiency Global Alliance Steering Committee and the Gas Technology Institute's Public Interest Advisory Committee. Ms. Jacobson has testified before Congress and has represented energy industries before the United Nations

Framework Convention on Climate Change. Prior to her position with the BCSE, Ms. Jacobson was a legislative aide in the U.S. House of Representatives. She has a master's degree in International Relations from the London School of Economics and Political Science, and a bachelor's degree in Political Science from the University of Vermont.
