

Natalie Joubert
Director of Federal Government Relations
National Grid

Natalie Joubert is the Director of Federal Government Relations for National Grid, plc based in the company's Washington, DC office. National Grid is an electricity, natural gas, and clean energy delivery company serving more than 20 million people through our networks in Massachusetts and New York. Natalie oversees the company's federal legislative strategy on issues related to electric grid modernization, climate change and clean energy, clean transportation, and other issues related to the company's New England business and customers.

Previously, Natalie served as Federal Affairs Manager at Pacific Gas and Electric Company (PG&E) where she managed the company's advocacy on climate and clean energy at the federal level. Before joining the utility industry, Natalie served in positions at the U.S. Department of Energy and a multi-client government relations firm.

She also serves on the Board for the Global Women in Innovation (GlobalWIN). Natalie graduated with a Bachelor's of Arts and Master's of Arts from Boston College.
