PRESS BRIEFING:

**Business Leaders Share Solutions to Bridge the Clean Energy Investment
and Deployment Gap at COP 28**

WHEN: Monday, December 4, 2023 at 15:30 – 16:00 GST

WHERE: Press Conference Room 2, Zone B6 – Building 77, COP 28 Blue Zone

WHY: Please join the [Business Council for Sustainable Energy](#) (BCSE) for a press briefing featuring U.S. energy industry CEOs and executives at COP 28.

BCSE is leading a delegation of [nearly 40 U.S. businesses](#) and clean energy trade organizations to Dubai to attend COP 28. At this briefing, senior executives will speak to their engagement at COP 28, commitment to climate action and the progress of investment and technology deployment to advance the energy transition.

A list of BCSE delegation industry executives available for interviews can be found [here](#). Learn more about BCSE's [COP 28 priorities](#) and find the full list of BCSE's [COP 28 events](#) at BCSE's [COP 28 webpage](#).

WHO: [Lisa Jacobson](#), President, **Business Council for Sustainable Energy**
[Roeland Baan](#), CEO, **Topsoe**
[Avik Dey](#), CEO, **Capital Power**
[Gene Gebolys](#), CEO, **World Energy**
[Scott Tew](#), Vice President, Sustainability and Managing Director, Center for Energy Efficiency and Sustainability (CEES), **Trane Technologies**

LIVESTREAM: The press conference will also be available via live-webcast or on demand at the [UNFCCC website](#).

CONTACT: For more information, or to connect with members of the BCSE delegation, please contact Lizzie Stricklin (lstricklin@bcse.org).

###

The Business Council for Sustainable Energy (BCSE) is a coalition of companies and trade associations from the energy efficiency, natural gas and renewable energy sectors, and also includes investor-owned utilities, public power, independent power producers, project developers, equipment manufacturers, and environmental and energy market service providers. Established in 1992, the Council advocates for policies that expand the use of commercially-available clean energy technologies, products and services. For more information on the Council, please visit www.bcse.org. For the latest industry data, download the [Sustainable Energy in America Factbook](#).
