

BCSE America Recovery and Reinvestment Act (ARRA) Activity Update Week of April 6, 2009

This represents the fourth update on ARRA program implementation activity. This update includes: information on general ARRA program and funding levels, a list of links showing how the funds will be allocated and a list of program guidance issued to date.

1. General ARRA Program Guidance

Attached is a memo provided by the Apollo Alliance providing guidance on how eligible states and localities can apply for ARRA funds.

2. Helpful Links to Determine How Funds Will be Allocated

The U.S. Department of Energy state-by-state allocations of energy efficiency and conservation block grants:
