MEMORANDUM

April 27, 2009

To: Members of the Committee on Energy and Commerce

Fr: Chairman Henry A. Waxman and Chairman Edward J. Markey

Re: The American Clean Energy and Security Act of 2009

We wanted to report that we viewed last week's hearings, with 68 witnesses over three days, as very helpful in airing the issues associated with the American Clean Energy and Security Act of 2009. The hearings have spurred productive discussions between members on the legislation, which are continuing this week. We will schedule markup of the bill in the Subcommittee for next week, with the precise date to be advised shortly.
